

Take Note of Tommy-toe Goat

Linda Bellon-Fisher is a grandma who is very dedicated to children, so she writes books and songs, and does presentations for children. This is her second published children's book, which is based on Tommy, her grandson's love of tomatoes. Because Tommy loves tomatoes, she sometimes calls him Tommy-toe, and thus wrote this book about Tommy-toe goat. She decided to get it published because when she has read it to children at presentations, they so-o-o much enjoyed it. The first children's book she had published was 'My Story of Glory', which she wrote to entertain young children and bring up the goodness of being kind, doing physical activities, and making art.
