

Frog-ette & Friends Volume 1: Welcome to my Pad introduces Frog-ette and builds the setting of her home and personality. Frog-ette is a frog of leisure with a bit of a handicap that for the most part doesn't bother her. She wonders about a lot of things and finds happiness and contentment relaxing in a frog-tastic garden spot. Frog-ette & Friends is a series of short stories. Each story builds on the friendships formed between Frog-ette and the various characters that visit her. Frog-ette is a ceramic frog whose home is in a garden tended by people creatures. Although Frog-ette cannot talk to these people creatures, she can understand what they are saying and she learns that she is their inspiration piece. Frog-ette has a wide range of friends that enjoy visiting and chatting with her. She asks a lot of questions and they try to answer her. The series of short stories include: Volume 1: Welcome to my Pad (you are here) Volume 2: Duck on a Roof Volume 3: Noisy Worms Volume 4: Acorns and Friendship Volume 5: Wow look at Ivy Volume 6: Walnuts Volume 7: Sweet Nectar Volume 8: We are Home It is recommended to read the stories in sequence because relationships develop as the story line progresses. Each book in the series has an introductory slide show video that introduces the first 8 volumes. The chapters are broken into sections with photographs of the living creatures who are represented in the stories. Each book ends with a chapter that contains a video clip of the featured characters who inspired the author to write the story. www.WondermentPublishing.com

Mrs. Frisby and the Rats of NIMH, The 1984 MLB Season: The stories of the four playoff teams and each postseason series (Past MLB Seasons Book 10), Rontgen Centennial: X-Rays in Natural and Life Sciences, The Man Who Invented the Ferris Wheel: The Genius of George Ferris (Genius Inventors and Their Great Ideas), The Yellowest Yellow Lab, El Templo Del Sol/ the Time of the Sun (Tintin) (Spanish Edition),
