

The Story of Aloha Bear

Even for polar bears, the North Pole is a very cold place. One little bear is particularly cold, and all he can do is dream about a warmer climate, a place without endless ice or grey skies. A place with warm beaches and tropical flowers and blue skies a place like Hawaii. But how can a little polar bear in the North Pole get to an island in the Pacific? Then, the resourceful little cub remembers that one of his neighbors travels to the islands every December and there's surely room for one little stowaway in his sleigh! Will Santa discover the four-legged hitchhiker in his toy bag? Will Aloha Bear spend Christmas on a warm, sandy beach alone? Told in simple rhyming verse that's perfect for reading aloud, this delightful holiday adventure celebrates the true meaning of Christmas.
