

The Berenstain Bears Christmas Tree (Berenstain Bears/Living Lights)

Finding the perfect Christmas tree is very important for Papa Bear and the cubs. But while hunting for that one special tree, the family meets up with other animals that live in them. Papa, Brother, and Sister realize that the trees are perfect homes for the animals and show kindness and love for their fellow Bear Country friends by not cutting them down. The animals from the forest work together to thank the Bear Family in a wonderful and unique way.
