

The Brave Kitten (Pet Rescue Adventures)

Helena loves helping out at the animal hospital where her cousin Lucy works. One day, the girls find a young cat that has been injured by a car. Helena helps to care for the cat she names Caramel, but when its time for him to go home, Caramels owner cant be found. Caramel doesnt want to be kept at the animal hospital, and he especially doesnt like the scratchy cast on his leg. But if no one comes forward to claim him, how will he ever have a place to call home?
