

‘One of the best books on stock market investing that I’ve ever read.’ Christopher Gilchrist, Editor, The IRS Report ‘Lucid and perceptive – any intelligent person can follow this guide and be on equal terms or better with the best professional money managers.’ Dr Peter Johnson, Said Business School, Oxford University Is your investment strategy right for you? Could you be making more money? The Financial Times Guide to Selecting Shares that Perform helps you identify the approach to buying and selling shares that is best suited to you. It will help you to align your strategy based on the time and money you have available, taking into account your overall objectives and your attitudes to risk and loss. In this thoroughly updated fifth edition of their bestselling investment classic, Richard Koch and Leo Gough explain 10 distinctive and proven investment techniques for you to choose from. They describe the different tactics needed to succeed in today’s market conditions and show you how it can be fun and profitable to try to beat the stock market. The Financial Times Guide to Selecting Shares that Perform gives you: 10 proven approaches to selecting successful shares A quiz to help you identify what kind of investor you are and what strategy is right for you Practical advice to help you trade more confidently on the stock market Examples and explanations of successes and failures Convincing reasons why you should manage your own share portfolio
