

## Mother Fox and Her Cubs

Dazzling paper diecuts and beautiful illustrations bring this hide-and-seek story to life. At the edge of the forest, Mrs. Fox looks out at her babies frolicking in the snow. Suddenly, the little ones stray too far away and in an instant Mrs. Fox loses sight of them. She embarks on a search for the missing kits, hampered by the dense trees and the deep snow. Can the reader help her find them? Mrs. Fox is a classic hide-and-seek story told through clever and beautiful paper cutouts and engaging illustrations. Young readers will enjoy finding the little foxes on the page as much as flipping through the large format, diecut pages. Illustrated in color throughout.
