There's something strange going on at Washington Irving Elementary School. Kids are turning into monsters—literally! First it was Sebastian, then Angie. Now it's little brother Rory's turn to be monsterized! One minute he's a normal kid hanging out in his backyard. The next, he finds himself walking through stuff: the back porch, walls, even people! What's a ghostly kid to do? Rory decides to find some other spirits and ask them how to get un-ghosted. So he heads up to the local haunted house to give it a try. What Rory doesn't know is that if he doesn't get the answer soon, he'll only have a ghost of a chance of ever being a kid again...
