

The Haunted Lighthouse (A Stepping Stone Book(TM))

The vacation of a lifetime! That's what the Bear Family think they are all in for when they rent the old lighthouse on Rocky Point Island. It may not have electricity, but it does have excitement. Maybe a little too much excitement? That's what the Bears begin to think when scary, spooky stuff starts happening. Is it the ghosts of sailors whose ships have crashed on the rocks of Rocky Point? Or is there another explanation?
