

The Healing Power of Sex

Sex does more than make you feel good. It improves your health, helps you communicate more effectively, and raises your self-esteem. Sex can heal in the following ways: Relieving symptoms of arthritis, insomnia, chronic pain, muscular tension and mood swings Recharging your sexual batteries with flirting and fantasy Helping you enjoy a satisfying sex life, even if you're chronically ill or disabled Adding spontaneity to your relationships Communicating your desires without hurt feelings Intimacy is bigger than what happens in the bedroom. This book will help you unlock your sexual potential.
