

The Kybalion: A Study of the Hermetic Philosophy of Ancient Egypt and Greece

The Kybalion was first published in 1912 by the Yogi Publication Society and is now in the public domain, and can be found on the internet. The book purports to be based upon ancient Hermeticism, though many of its ideas are relatively modern concepts arising from the New Thought movement. The book early on makes the claim that it makes its appearance in ones life when the time is appropriate and includes variations of material found in the book of Proverbs. https://en.wikipedia.org/wiki/The_Kybalion
