

The Loudest Roar

There's a time and a place to roar . . . even in the jungle. Clovis loves roaring and making a lot of noise! After all, he's the fiercest most roaringest tiger in the whole jungle. He roars at the parrots picking their fruit, the wildebeests wallowing happily, and the elephants sunning themselves peacefully. But the other animals are sick of being roared out of their peace and so they devise a strategy to show Clovis that it takes more than being the best to get along with others.
