

# The Lovers Tongue: A Merry Romp Through the Language of Love and Sex

This delightful book includes over 100 mini-essays explaining the origins and historical development of words in our language that pertain to love and sex. Do you know, for example, what a 78 is? Heres a hint: like the old 78 rpm records, the term refers to a man who is ... well, on the fast side! Diligently researched, The Lovers Tongue is written in a light-hearted style. A dictionary of a different kind, this book is the perfect gift for that special someone, or for the connoisseur of language and history in your life.
