

THE MYSTERY OF THE SACRED STIGMATA: My Interviews With PADRE PIOs Spiritual Advisors (Volume 1)

The Mystery Of The Sacred Stigmata is a compelling book about those who bore the wounds of Christ. A bestseller for Our Sunday Visitor, it has received dozens of top notch recommendations from scholars and critics the world over. Author Michael Freze, S.F.O. has taken this original 350-page book and broken it down into a series of smaller books. This volume focuses on the stigmatic Padre Pio of Pietrelcina and the authors personal interviews with Padre Pios friends and companions for the last three years of his life. The interviews were conducted in San Giovanni Rotondo, Foggia, Italy, where Padre Pio lived the last several decades of his life. A must read! A recent endorsement: I have to say that of the many books I have read (having multiple degrees in theology -including my Doctorate from Columbia University) your They Bore the Wounds of Christ: The Mystery of the Sacred Stigmata... is one of my all time favorites. In fact not only do I continue to refer to it, but there are certain passages that you explain that could only be attributable to infused divine inspiration. Please continue to write ... Peace, Deacon Mike Vicinanza (April 17, 2016).
