

The Networking Formula: 50 Golden Recruiting Questions E-Book

This e-book will shatter some widely held beliefs, expose some truths and give solid nuts and bolts training on what to say, what not to say, when to say it, how to say it, to whom and why. You'll learn an acronym that will make conversations so much easier with respect to sharing your business with prospects, taking the pressure off both you and the prospect and by following some simple strategies, learn how to make people fall in love with you and what you have to offer them. By the time you have finished reading this e-book, you will be equipped to confidently and professionally go out and start having more empowering and fun conversations.
