

The Odd Egg (Arabic edition)

Beautifully illustrated and stylishly written, The Odd Egg is an endearing gem of a book that will delight and captivate children aged four to eight years old. Duck is jealous of all the mother birds for having eggs. So he adopts a big egg that has green spots, which matches his feathers. When Duck finds an egg of his own he is delighted: it is the most beautiful egg in the world! But all the other birds think it's a very odd egg indeed and everyone is in for a big surprise when the egg hatches.
