

The Odds of Getting Even

Humor and action abound in this second follow-up to the Newbery honor winner and New York Times best seller *Three Times Lucky*. The trial of the century has come to Tupelo Landing, North Carolina. Mo and Dale, aka the Desperado Detectives, head to court as star witnesses against Dales daddy - confessed kidnapper Macon Johnson. Dales nerves are jangled, but Mo, who doesnt mind getting even with Mr. Macon for hurting her loved ones, looks forward to a slam dunk conviction - if everything goes as expected. Of course nothing goes as expected. Macon Johnson sees to that. In no time flat, Macons on the run, Tupelo Landings in lockdown, and Dales brothers life hangs in the balance. With Harm Crenshaw, newly appointed intern, Desperado Detectives are on the case. But it means they have to take on a tough client - one theyd never want in a million years. For everyone whos already fallen for Mo and Dale, and for anyone whos new to Tupelo Landing, *The Odds of Getting Even* is a heartwarming story that perfectly blends mystery and action with more serious themes about family and fathers, all without ever losing its sense of humor.
