Frankweiler, and Wonderstruck. Sixth Graders Ruthie and Jack return to the Art Institute of Chicagos magical Thorne Rooms. During a school presentation, Ruthie and Jack discover that their classmate Kendra is descended from Phoebe Monroe, the young slave they befriended when they traveled to 19th-century South Carolina. Kendra tells them that long ago her family lost their good name and their business selling herbal remedies when mobsters accused them of stealing the recipes! Only Ruthie and Jack know the truth - because only they know about the secret ledger that Phoebe wrote the recipes in long ago! Ruthie and Jacks mission to clear Kendras name takes them back to the Thorne Rooms, where a mysterious old coin leads them to 1753 Cape Cod and to Jacks own ancestor... the pirate Jack Norfleet! But playing with history can be dangerous! Suddenly, Jacks very existence is in jeopardy! Can Ruthie and Jack find the proof they need to help Kendra? And can they fix the past and save Jacks future... before its too late?
