

Life and Love Vol IV

Life and Love spans 21 years, from 1973 to 1994, during which Charlotte Yenger experienced communication with souls in Heaven: Jesus, The Father, The Holy Spirit, The Blessed Mother and various saints and angels. Each message is beautiful and touching, with its own beginning, middle, and end, and a definite theme. With Gods encouragement, Charlotte wrote down these messages directly, never changing a single word, as if taking dictation. She never sought fame or fortune through these writings, despite her own financial struggles in fact, she only ever told her spiritual advisor and closest friends of their existence. Charlottes unique character can best be summed up in this exchange from her writings: Im just a stinker, Charlotte says to Our Lord. Jesus replies, But Charlotte, I love stinkers. I died for stinkers. Vol 4 contains years 1990-1994
