

## The Pop-Up Dinosaurs Galore!

As the sun lights the horizon, and the mist begins to clear, what shapes do you begin to see; what noises do you hear? Perhaps you'll see a swishing tail, huge footprints, or a beak. I think I heard a distant roar... and did you hear something shriek? Meet the creatures that swam, roamed and flew over prehistoric earth in the pop-up edition of the funny, rhythmic and fact-filled *Dinosaurs Galore!* Fierce and fun, a collection of dinosaurs pop up from the pages. Lift the flaps to find a baby dinosaur hiding on every spread!
