

# The Profitable Art and Science of Vibratrading: Non-Directional Vibrational Trading Methodologies for Consistent Profits (Wiley Trading)

Enter the world of vibration trading with a new methodology formaking more money, more safely What if you could enter the markets and know, in advance, theexact value of trades needed to sustain a losing streak, by knowingtheir Martingale limits, to finally ensure a win? WithVibratrading you can. Applying the principles ofBoundedness in conjunction with powerful stock/ETFdiversification techniques, Vibratrading allows you toaccomplish what most traders and investors previously thoughtimpossible, giving you an unfair advantage in any marketsituation.A new and revolutionary perspective on trading and investing,Vibratrading provides a powerful methodology for extractingprofit. Non-directional, it is designed to appeal greatly to thevast number of directional traders consistently struggling to keepfrom losing their trading accounts. Providing a better, safer wayto participate in the markets to make consistent profits, it is theonly book you need to gain a crucial competitive edge.Presents a radical new trading strategy, Vibratrading,that the market cannot move adversely againstDemonstrates how a scale trader can enter the market at anylevel, without being restricted to entry at the conventional lowerend of the instruments historical rangeTeaches traders and investors the important techniques ofsecuritizing and monetizing profits with emphasis on risk freevibrational share accumulationPresenting a truly non-directional methodology,Vibratrading is the book you need to make more money, moresafely.
