

The RESIDUAL Effect: Discover Eight Effective Principles for Achieving R.E.S.I.D.U.A.L. Success in Network Marketing

Would you like to spend more quality time with the people you love? Are you interested in traveling and making new friends around the world? Would you like to experience real financial freedom and time freedom? The RESIDUAL Effect is a book about what it really takes to develop a thriving network marketing business and enjoy a life-style that most only dream about. Too often, people underestimate the power of this business vehicle because of what they've heard or what they assume they know about it. What most people do not know, is that with the emerging global economy and the dynamics of the information/communication age, business opportunities abound! The burgeoning network marketing industry is about to reach a global tipping point. Don't miss out!

Consider the alternatives. College graduates with business and marketing degrees finish their education up to their ears in debt. Many have trouble finding even a moderate five-figure income job or career. If this is you, how long will it take to get a return on your education investment -- five years, ten years, or more? What if you're fifty something and you've just been downsized or laid off. What's next? Do you have a plan B or just more of the same? No matter what your stage in life, this proven business model can work for you. What if you could get started with a \$1000 investment and ten hours per week of your valuable time for the next twenty-four months and enjoy recurring annual six-figure RESIDUAL profits, year after year after year? Would you be interested learning more? What if it took you five or even ten years rather than forty to develop monthly recurring income that is ten times more than the average social security check? Did you know that you can even keep your full-time day job, while you developing a part-time fortune in this industry? Now that's a savvy plan B and exit strategy! This book explains what

it really takes to build a thriving business and long-term residual profits in the emerging 200 billion dollar direct sales industry. The RESIDUAL Effect teaches you how to identify companies that offer a real opportunity and a solid business development system. This book lays it on the line, there's no hype or fluff. The RESIDUAL Effect is a book about Mark's twenty-five years of real industry experience, living, demonstrating, teaching, and profiting from these residual principles, both in the field and inside corporate. Mark explains network marketing in eight actionable steps. These steps include the success philosophies and attitudes you must embrace and the practices, principles, and mechanics that are necessary to run your business day after day. Too often, network marketing is promoted or misunderstood as a get rich quick business, but the truth is, the financial benefits are just the tip of the iceberg. The RESIDUAL Effect has a profound ripple effect in every area of your life. Take this business seriously and experience exponential personal growth and enrich the lives of hundreds and potentially thousands of people! The RESIDUAL Effect is an eight part training that Mark has shared with thousands of people over the last twenty years. This acronym represents a progression of the eight R.E.S.I.D.U.A.L. principles, necessary for developing a profitable business. Relationships Education Service Investment Develop your Market Unlimited Potential Action Plan Leadership Network marketing is a business of personal relationships and leadership development, the first and the last principles in this acronym. Whether you're new to the business or a seasoned professional, The RESIDUAL Effect is a valuable resource that offers an accurate perspective of the network marketing industry and an organized system for success. The RESIDUAL Effect will help you build lasting relationships, develop leaders, and grow a thriving network, and the life-style of your dreams.
