

The Wal-Mart Effect: How the Worlds Most Powerful Company Really Works--and How Its Transforming the American Economy [Unabridged 9-CD Set] (AUDIO CD/AUDIO BOOK)

Award-winning journalist Charles Fishman reveals that what we know about Wal-Mart isn't even half of the real story---the company is now so powerful that it has become a kind of economic ecosystem that affects our everyday lives, even if we don't shop at Wal-Mart. In contrast to recent polemics, *The Wal-Mart Effect* offers the first truly fair, thought-provoking look at the hidden reach and transformative power that is the Wal-Mart effect.
