

The Wombats at the Zoo

The Wombats are off to the zoo in another zany adventure featuring the 12 comical kids and their two teachers, with lively and detailed watercolor illustrations guaranteed to occupy small children's attentions for hours. The Wombats and their teachers, Ms. Annabel and Mrs. Nott, are off to the zoo. Audrey bonds with bilbies, Alecia is on a safari, Hughie wants to race a camel, and Freddie explores underwater with his magic eye. Horrie is shocked by snakes, and Ima plays harmonica with a crocodile. Ava whistles to the wild dogs, Naucia wants to take a meerkat home, and Nurse Sardi helps in the animal hospital. Dante shoots hoops with the seals. Oliver admires the cheetah, and Albert calculates just how much hippo they can eat. By the end of the day, the Wombats don't want to leave. Can you help Mrs. Nott find out where they all went?
