

Trade My Way

Markets trend: up, down and sideways. Stocks never stand still. Knowing this, how can you consistently profit from the Australian stock market? In Trade My Way, best-selling author and sharemarket expert Alan Hull reveals his two short-term trading strategies: active trading and breakout trading. These tried-and-tested strategies will help you turn a profit no matter which way the stock market is trending. Written in easy-to-understand, engaging language, Trade My Way also offers: a simple introduction to share trading for beginners; a complete guide to understanding and interpreting price charts; risk management essentials for trading success; MetaStock indicator formulas for more experienced traders; detailed step-by-step trading simulations. Buy and sell stocks for profit like a professional; become an active trader!
