

## Little Vinayak (Karadi Tales)

What happens to an elephant whose trunk is so long that he trips and falls whenever he walks? No matter what he does, Little Vinayak cannot keep his long, long trunk out of the way. One day, he meets a very special friend who offers an unusual solution to Vinayak's peculiar problem. An original tale by Shobha Viswanath, vibrantly illustrated by Shilpa Ranade with pastels, this book subtly brings to light how each of us is special in our own way. Shobha Viswanath has written over twenty successful books for children. Shilpa Ranade is an award-winning illustrator and filmmaker.
