

Two Kinds of Color

A beautiful and sensuous woman, Freddie Walker, has fallen into the hands of a vain and greedy businessman, Jimmy Tate. His notorious reputation and illegal business practices allow him to take and make all the money he can. On a stormy night Freddie decides to take her children and leave Jimmy for good. When Jimmy finds out he goes berserk and attempts to kill her.

But her best friend, Ruby Johnson, a woman of deep faith who has a special relationship with God, arrives just in time. A struggle ensues and Jimmy is killed. Freddie's children, two of them white, two of them black, are sent to foster homes and separated from one another. Freddie and Ruby are sent to prison. Did Ruby kill Jimmy? What sacrifices did Freddie make for the sake of her children? What secrets did she keep from them? What is their legacy? As adults will they have the courage to meet each other to find out?
