

The Ancient Indians (Crafts from the Past)

The civilization that developed near the Indus River thousands of years ago was one of the first successful cultures. The people of India have always celebrated the rich history of their ancestors. Various religions like Buddhism, ancient texts such as the Vedas, and the natural environment including monsoons are still a major influence on the India of today. In this book, readers learn about some of the most important concepts surrounding Indian culture. They'll read about the caste system, the Sanskrit language, the significance of Indian dress, and more. They'll have the opportunity to reflect on essential ideas while completing engaging craft activities featured throughout the book. Fascinating photographs of India complement this valuable and accessible text.
