

Use Your Head

Are you worried that you're not achieving your full potential? A few years after this classic book on how to improve your brainpower was first published, a fairly average student announced that he intended to try for a place at Cambridge University. His chances were assessed as slim, since his grades were usually unexceptional. But with the help of *Use Your Head*, he went on to achieve four As at A-level, two starred firsts at Cambridge and a top job with a multi-national company. Since 1974, *Use Your Head* has been translated into over 27 languages, has been published in five continents and 100 countries, has sold well over a million copies and still the demand increases! *Use Your Head* will:

- *Teach you the vital skills of Learning How to Think and Learn.
- *Increase your creative thinking and problem-solving capacity
- *Enable you to make the best of your brain
- *Provide you with both the confidence and the means to fulfil your own mental potential
