

Voyages Through Time: Escape From Earth

Exploring the universe has always been a dream of humans and, especially for the last 50 years, a constant aim of science. From the early days of rocketry to the creative minds of science fiction writers, *Escape from Earth* covers the thrilling history of humans venturing into space. Peter Ackroyd's *Voyages Through Time* is a series of highly illustrated nonfiction books that illuminate the worlds defining eras of history—from our humble beginnings to the exploration of space. Written in a fresh, bold narrative, this series is sure to become a publishing classic.
