

When Jesus Lived in India: The Quest for the Aquarian Gospel

The problem of the missing years is one of the great biblical and historical mysteries and many theories exist as to how Jesus could have spent those years. Alan Jacobs presents, in an impartial manner, all the evidence about what happened during the nineteen years of Jesus life missing from the Bible. With new information unveiled, the book addresses the following questions: did Jesus ever go to India or Tibet; what did he do in his missing years; is the Aquarian Gospel authentic; was Notovitch (the notorious author and explorer) a fraud; and, what do the Churches think.
