

Whose Side Are You On? (The Jags)

What could be better for encouraging reluctant boy readers than a series of football fiction by footie enthusiast, writer and radio presenter Tom Watt? This 12-part series of short-chapter fiction uses an involving story of a junior football team to engage reluctant boy readers in paired and guided reading sessions. Told in an amusing and slightly irreverent style that boys will love, the series will encourage even the most reluctant reader.
