

The Sex Seminar: Are you ready for the Red Pill?

Welcome to Sex with a capital S! In their ground-breaking book *The Sex Seminar: Are you ready for the Red Pill?* Joseph and Lynn take you and eighteen unsuspecting participants on a ride of the ages. Join them as they travel through time exploring and shattering the myths that have confined the limitless energy called SEX. From one end of the planet to the other they'll uncover the virginal territories of the What and Why of Sex, rather than the traditional how-to. Their liberating hardcore methods and refreshing thong-in-cheek attitudes will fascinate and arouse you. Here's a sneak peek at what the participants had to say:

As a young girl I was taught to repress my sexuality, it was shameful to be sexy. As a result, I had a breast reduction at the age of 20. My reasoning at the time was that my breasts didn't suit my body but after doing the Sex Seminar I discovered the real reason. The seminar changed the way I see myself, I am a sexual being and that is a beautiful thing. I recommend this book to anyone who wants to create more freedom in their life, sexually or otherwise. I had a real breakthrough in the sex seminar that had been about 8 years in the making. I learned how much I didn't actually know about sex and just how expansive sex truly is. My whole sex life- or I should really just say my whole life- has had a huge shift...I'm experiencing and exploring real intimacy for the first time in my life. There's always more work to do, and I'm really excited to keep doing it. Pun intended. It has been one year since the seminar and the person I was then compared to who I am now is unrecognizable. The seminar couldn't have come at a better time for me, it truly did change the direction of my journey in this crazy beautiful thing we call life. ...The seminar showed me that life is Sex energy. All that I do is connected to this energy, my choices, actions, reactions, interactions, are all a mirror reflection of how I perceive

and be in the world. The sex seminar made me aware of the shame I had accumulated in my past... I was raised in 9 different foster homes...I truly believed that I was a burden to the world and all of my actions reflected this...it wasn't until I worked with Lynn and Joseph, that I realized I had been lying to myself. I will forever be thankful for what I have learned and invite all of you to start your journey through this book. You will not regret a moment of it. Thank you Lynn and Joseph for everything - without you I don't think I would have ever known the true meaning of living a fulfilled life. I wish this gift upon everyone. Thanks to the sex seminar and all of the tools I have learnt and the support I have felt. I am so grateful for Lynn, Joseph and the seminar they worked so hard to create. The gifts I have received are little miracles and I cherish every one. ...I walked into that seminar sexually insecure/shy, embarrassed of myself and my lack of sexiness. Consistently comparing myself to others and to society's ideal of what sexy means... I left that seminar feeling empowered and confident. I now have the knowledge to understand sexual energy. I'm finally starting to understand myself, my body and my personal love life. Life-changing ... transforming... this was the result of attending the Sex Seminar. I came into it with a fairly narrow view... I left with a much broader perspective on life and the energy that surrounds it. I will forever be thankful for what I have learned and invite all of you to start your journey through this book. You will not regret a moment of it.
