

## Best MLM Scripts

Scared to phone prospects? Dont know what to say, and when? This will help cure you and get you over the hump! Scripts are critical to calling prospects and building your business, but most script books look great and are filled with fluff. Its not about having a specific script for every conceivable situation! This book will help you understand the psychology of the call, the structure of the process from introduction to close, and to give you the key phrases you need to know to move your prospect along to an outcome, all while preparing you to use your voice and words to sound natural. Whether its someone you just met, your warm market, a purchased lead, or the followup call, this 24 page book gets right to the point so you can build confidence and get to work! just read and re read your scripts manual. very thorough, easy to read and simple steps to follow. ... launch this NOW(!) after spending a lot of money on script books this was by far the most informative - S. Frey
