

Medium Manager: A strange baseball mystery (Micro Baseball Stories Book 3)

GUY SIMPLE is not a detective. Hes a consultant whos called to unravel strange riddles. He does this through a process of incredibly simple thinking. Thats why hes called The Simple Guy. In this short story, hes summoned to a minor league baseball park to discover the secrets of an ancient manager who wins game after game. Guy must travel with the team -- composed mostly of lethargic players -- to find out how this manager inspires mediocre athletes to temporarily perform like superstars. How does the manager bring out the best in those players? And will the team owner accept what Guy discovers? For baseball fans, this is a contemporary saga with a hint of history. And for short story fans, its a mysterious and upbeat ride with some old baseball players who occasionally shine.
