

Wolves of the Beyond #4: Frost Wolf

Bestselling author Kathryn Lasky's hit series - a stunning spin-off set among the wolves of Gahoole. Faolan has always been an outsider. Exiled as a pup, then shunned by his fellow wolves for his unusual connection to the bears, Faolan has struggled to earn a place in the pack. But a terrible danger is looming on the horizon, and Faolan is the only one who knows how to fight it. Will he be able to claim his rightful place as leader? Unless Faolan can inspire the pack to stand together, it could be the end of the wolves of the Beyond.
