

## Wordpress SEO

Are you confused by the array of settings you see on your Wordpress control panel? Do you wonder what the best settings are to use in each of them? And why are there so many? Well heres your answer. This Wordpress SEO guide explains exactly how each setting should be optimized exactly so that you have the optimum SEO settings for your Wordpress site or blog. The Wordpress SEO Checklist guide ebook will be your companion in setting up and configuring all the different aspects of Wordpress and its hosting requirements. Everything is explained in plain English and everything is demonstrated with illustrations from actual sequences so that you can be sure of applying only the best practice when installing, setting up and configuring Wordpress blogs. How do you optimize all your Wordpress settings to best effect? This is a no-fluff checklist which comprehensively gives you the insider information on how to set your Wordpress settings just like the experts do, to ensure that you achieve maximum optimization. The book is illustrated throughout. All steps are explained thoroughly and illustrated. This is foolproof. This Wordpress SEO guide is a very useful checklist in graphic form, simple and yet detailed, written to be understood by experts and newbies alike; meticulous and to-the-point. Highly recommended.
