

Dunkirk, Bataan, Midway-these are just some of the places soldiers lost their lives fighting to preserve freedom during World War II. The conflict that involved nations from all corners of the globe and brought down empires is a continuing source of fascination-and an important subject taught in social studies classes everywhere. Beginning with an overview of the causes of the war, and continuing with year-by-year looks at the major clashes and their results, the Battles and Leaders books are extensively illustrated with photographs, artifacts, paintings, maps, and charts to show the chronology of important moments in American and world history.
