

World Champion Material

Amanda Ryan lives to be with horses. She has taken lessons from her beloved riding instructor Kate Brown at Lakeview Stables, an American Saddlebred farm in Missouri, for as long as she can remember. Amanda can't imagine a life without riding and showing. When she receives a special horse, Storm, she is full of anticipation and excitement for what the future may hold. But when Amanda learns that Storm's true identity is uncertain and that his history is possibly marked by criminal dealings, her world is turned upside down. *World Champion Material* is a suspenseful and engaging read for anyone who loves horses--and for those who simply enjoy a good story well-told.
